

Revised 12/7/2022

Program Goals

- Reduce recidivism for participants released from incarceration
- Increase employment placement opportunities for participants
- Increase length of employment retention for participants
- Increase wages of participants

Program Objectives

- Program participants will have a lower rate of recidivism than those who did not participate in or successfully complete the program at 12, 24, and 36 months following release.
- Program participants will obtain employment or be enrolled in educational/technical programming within 90 days of release from incarceration.
- Program participants will progress in a career pathway while participating in the program (using wages as the measurement.)
- Program participants will have longer episodes of employment than those who did not participate in or successfully complete the program at six, nine, 12, 24, and 36 months following release.
- Program participants will be employed at a higher rate than those who did not participate in or successfully complete the program at three, six, nine, 12, 24, and 36 months following release.
